## **A6-141 & A6-143 Fan Guards**

**Screw Replacement**

### **Replacement Instructions**

**5-Point and 6-Point Mount Fan Guards are packaged with two kinds of mounting screws.**

When replacing the fan guard you must use the screw with the proper threads to secure the new fan guard.

**Use short screws (US threads) on:**

A1-601	C711
C609	C712
C613	C715
C618	C716
C701	

**Use long screws (metric threads) on:**

C612	C621
C614	C622
C617	C651
